

(a) FW with pre-existing small scales

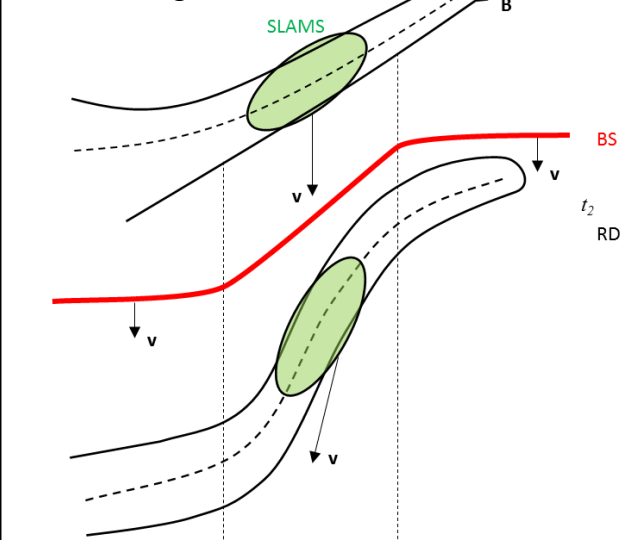

(Lin et al., 1996b; Schwartz and Burgess, 1991; Lucek et al., 2002; Archer et al., 2012)

(b) FW interacting with BS corrugation

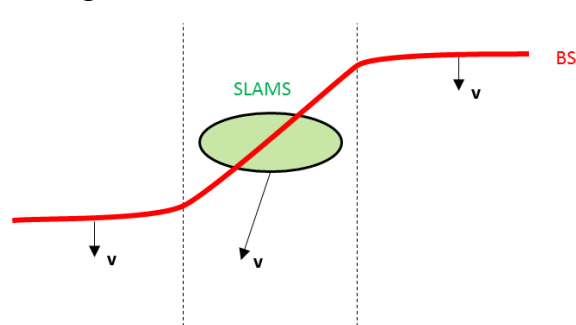

(Lin et al., 1996b; Hietala et al., 2009, 2012)

(c) RD and SLAMS interacting with BS corrugation

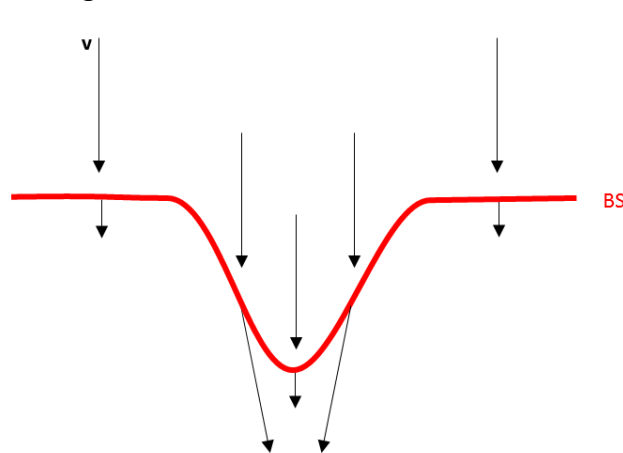

(Lin et al., 1996b; Archer et al., 2012; Karlsson et al., 2015)

(d) SLAMS interacting with single BS corrugation

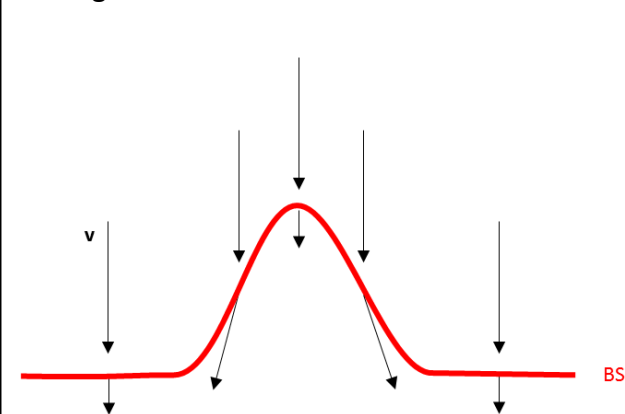

(Hietala et al., 2009, 2012, Karlsson et al., 2015)

(e) Solar wind interaction with concave BS corrugations

(Hietala et al., 2009, 2012)

(f) Solar wind interaction with convex BS corrugation

(Hietala et al., 2009, 2012)
