Interactive comment on "Diurnal, seasonal and solar cycle variation of total electron content and comparison with the IRI-2016 model at Birnin Kebbi" *by* Aghogho Ogwala et al.

Anonymous Referee #1

Received and published: 5 March 2019

Introduction

LInes 124-128: In the introduction you must specify the goal of the paper, and not the results. So, in the last paragraph of introduction put the goal of the paper. For example that you will evalute the IRI-2016 model in the Nigeria site.
