

Review angeo-2018-34

The paper has been greatly improved. Most comments have been reviewed by authors. This paper can be published after some minor revisions.

- a. It is necessary to mention a summary of the authors' responses (a,b,c) in the text.
- b. The reference “Adavi and Mashhadi” is not used in the text. Please delete this reference from the list of references.
- c. Please consult with a native speaker on the language of the paper to complete the paper's corrections.
