This is my second attempt at making this response.

The last communication from Referee #1 states that the authors have answered all of his questions.

We wanted to submit a summary of the discussion between the authors and the referee #1 noting the location of the changes in document developed in response to comments from both referees.

It does not seem to be possible to upload 2 documents, so they are now combined into

one for referee #1.

We sincerely hope this is what is needed.
