Subject: Submission of revised manuscript

Dear Prof. Buresova,

I would like to thank you and the anonymous reviewers for their time and inputs. We have incorporated the minor suggestions from the reviewers and yourself in the manuscript as indicated in the abstract (line 13 to 17), in the body of the manuscript (page 15, lines 4 to 20; page 16, line 1 to 10 including Fig. 7), and in the conclusion (page 27, line 4-6).

I am looking forward to your positive decision.

Sincerely yours,

Gizaw Mengistu Tsidu (Prof.)
